Internship Completion Certificate

This is to certify that [Geddam Prasanna Kumar] has successfully completed the internship with Mind Palace Studios LLP (operating as MovieMe) in the role of Software Development Intern from 03-06-2024 to 12-07-2024

During this period, he worked on a data engineering use case involving user activity and viewing data for the MovieMe OTT platform. He worked with MongoDB and AWS for data handling and PostHog for analytics. He approached his work with sincerity and collaborated well with the team

We thank him for his time and efforts during his internship with us and wish him continued success and the very best in all his future endeavors.
